5. Agreement

We understand applications close Monday June 30, 2025, and that a separate application form must be submitted to CASS, with notification of outcomes to all applicants being made as soon as is practicable.

We understand that successful applicants must invoice ASSA for the grant by no later than one month after the agreement is executed. We understand successful applicants must provide an acquittal of funding expenditure and a report of the research activities funded by the program. The ~2,000 word report outlining the objectives and details of international visits or meetings, project outcomes, research findings to date, progress in the international collaboration undertaken more generally, and directions for future research, is due by 30 November 2026.

We confirm the information provided in this application is complete and accurate, and we accept all terms, conditions, and notices contained in the information for applicants at: <https://socialsciences.org.au/international-program/>
