

'Arts funding fiasco', by Michael Fitzjames. Government funding of the arts has often come under considerable debate. Some believe that occupations such as writing should be labours of love, and that organisations such as the Australian Opera should be run on a commercial basis with productions being wholly funded through ticket sales and commercial sponsorships. Pen and ink. First published in the National Times, 1986.

JOHN FAIRFAX & SONS

I

THE ARTS

AGE BOOK OF THE YEAR
