3.30 - 5.00PM

What does AUKUS say about how we see ourselves?

Marilyn Lake, David Lowe, Wanning Sun, Gareth Evans

SPEAKERS

Rear Admiral Peter Clarke

Rear Admiral Clarke retired from Royal Australian Navy in late 2003 and has since made a second career as a management specialist and advisor/mentor to chief executive officers.

James Curran

International Editor, *Australian Financial Review*, and Professor of Modern History, University of Sydney.

Gareth Evans

Former Australian Foreign Minister and Chancellor of the Australian National University, President Emeritus of the International Crisis Group.

Stephan Fruehling

Professor, Coral Bell School of Asia-Pacific Affairs, Australian National University.

Ross Garnaut

Ross Garnaut is an economist whose career has been built around the analysis of and practice of policy connected to development, economic policy and international relations in Australia, Asia and the Pacific.

Stephen Grenville

Stephen Grenville is a Non-resident Fellow at the Lowy Institute Sydney. He was Deputy Governor at the Reserve Bank of Australia. Before that he worked for the OECD, the International Monetary Fund and the Department of Foreign Affairs.

Marianne Hanson

An Associate Professor of International Relations concerned about Australia's democracy and defence trajectory.

Kai He

Professor of International Relations at Griffith University, specializing in the interplay between international institutions and great power politics.

SPEAKERS

John Langmore

After being a Labor MP for 12 years, John Langmore became a Director within the UN Secretariat in New York and is now a Professorial Fellow in the School of Social and Political Sciences in the University of Melbourne.

Marilyn Lake

A leading Australian historian whose books include *Drawing the Global Colour Line:* White Men's Countries and the International Challenge of Racial Equality and Progressive New World: How Settler Colonialism and Transpacific exchange shaped American reform.

David Lowe

David Lowe, Deakin University, researches security and development aspects of modern world history, including Australia in the world.

John Quiggin

John Quiggin is an economist who has undertaken critical analysis of the costs and benefits of naval expenditure.

Chris Reus-Smit

Chris Reus-Smit writes on the theory and practice of international relations. He is coeditor of the Cambridge Studies in International Relations book series, former editor of the journal *International Theory*, and editor of the multi-volume Oxford Handbooks of International Relations.

Sam Roggeveen

Director of the International Security Program at the Lowy Institute and author of *The Echidna Strategy: Australia's Search for Power and Peace*, which criticised AUKUS as unnecessarily provocative and tying Australia too closely to US strategic objectives.

Maria Rost Rublee

Professor Maria Rost Rublee is an award-winning scholar of international security, with expertise in nuclear politics, maritime security, and gender and diversity in national security.

SPEAKERS

Margaret Simons

Author and journalist, the biographer of Foreign Minister Penny Wong and the author of an essay on the political consensus behind AUKUS in *Australian Foreign Policy* (issue 19, October 2023).

Wanning Sun

Professor of Media and Communication Studies at the University of Technology, Sydney, and deputy director of the UTS Australia-China Relations Institute.

Richard Tanter

Senior Research Associate at the Nautilus Institute, former president (2016–17) of the Australian board of ICAN.

Sian Troath

Postdoctoral fellow at the Australian National University, studying the politics of emerging weapons technologies and Australian foreign and defence policy.

Joanne Wallis

Professor of International Security in the Department of Politics and International Relations and director of the Security in the Pacific Islands research program in the Stretton Institute at the University of Adelaide.

Hugh White

Emeritus Professor of Strategic Studies at the Australian National University.
